

# Classic Channel Regatta

Dartmouth • St Helier • Paimpol

Saturday 29th June - Saturday 6th July 2019

## NOTICE OF RACE 2019

### The Classic Channel Regatta

Comprising

Dartmouth Classic Weekend

Classic Channel Race Dartmouth - St Helier

Classic St Helier - Paimpol Passage Race

La Course du Tour de l'Île de Bréhat

Organising authority

Classic Channel Regatta Limited

In association with

The Royal Dart Yacht Club, the St Helier Yacht Club, with the support of the Cercle Nautique de Paimpol

## WELCOME TO THE CLASSIC CHANNEL REGATTA 2019

The Classic Channel Regatta is the biennial event of the C.R.A.B. (Classic Regatta Anglo-Breton) association. It is a week-long regatta comprising five races: three inshore races, the Dartmouth Classic Weekend, the Classic Channel Race Dartmouth - St Helier, the Classic St Helier - Paimpol Passage Race and La Course du Tour de l'Île de Bréhat.

The regatta is run by Classic Channel Regatta Ltd, a company limited by guarantee, on a not-for-profit basis by classic sailors for classic sailors on behalf of the members of C.R.A.B. The Owners and Skippers of competing yachts become full members and their crews become associate members. All full members have a vote to ensure the regatta continues to fulfil these objectives of the association:

"To encourage the ownership and sailing of classic yachts by organising and running the biennial Classic Channel Regatta and any associated regattas and events for classic yachts, their owners and crews in accordance with the ethos of 'Gentleman's Racing' and Passage Making combined with social events."

The 2019 regatta will be the eighth edition of this biennial event started in 2005 - and will be the sixth that has included the port of Paimpol as the host port in Brittany. It will be the first to include St Helier and we are looking forward to this new addition to the itinerary.

The emphasis is on providing high quality racing and informal social events offering an enjoyable mix of 'gentlemanly' competition afloat and a convivial atmosphere ashore for all to enjoy the challenge of racing these beautiful yachts against one another, the spectacle of them at sea and in port, and to get together with others who share the common bond that comes from a love of sailing classic yachts. We are pleased to have been able to programme the events in Paimpol this year to include a rest and activities day to allow people to see and enjoy more of this lovely Breton town.

With the support of all our sponsors, supporting yacht clubs and port authorities we look forward to providing another regatta which will not only further the objectives of C.R.A.B. but we hope will once again be the highlight of the sailing season for all those who take part.

On behalf of the Classic Channel Regatta.

I look forward to welcoming you in July 2019.

Bruce Thorogood  
Chairman

## INTERPRETATION

Throughout the documentation relating to this event the words “yacht” and “boat” are interchangeable. The words “shall” and “must” are mandatory. Other words and terms are used in the sense ordinarily understood in nautical or general use. Other words and phrases should be construed as their meaning in every day use. Where there is a conflict between the French and English language versions, the English version shall apply.

## 1. THE EVENTS

1.1. The Dartmouth Classic Weekend, the Classic Channel Race Dartmouth - Paimpol, the Classic St Helier–Paimpol Passage Race and La Course du Tour de l'Île de Bréhat are elements of the Classic Channel Regatta.

## 2. ORGANISATION

2.1. The Organising Authority for the Dartmouth Classic Weekend, the Classic Channel Race Dartmouth - St Helier and the Classic St Helier - Paimpol Passage Race is the Classic Channel Regatta Ltd, in association with the Royal Dart Yacht Club in Dartmouth and the St Helier Yacht Club in St Helier and supported by the Cercle Nautique de Paimpol for the finish off Paimpol. The organising authority for La Course du Tour de l'Île de Bréhat is the Classic Channel Regatta Ltd supported by the Cercle Nautique de Paimpol

## 3. RULES

3.1. The events will be governed by: The ‘rules’ as defined in The Racing Rules of Sailing (RRS)

3.2. The prescriptions of national authorities will apply (except the provisions of Appendix G)

3.3. Race and Applicable Categories of the World Sailing Offshore Special Regulations.

3.3.1. The Dartmouth Classic Weekend: The World Sailing Offshore Special Regulations for Category 4 (Monohulls) for 2018-2019.

3.3.2. The Classic Channel Race Dartmouth - St Helier: The World Sailing Offshore Special Regulations for Category 3 (Monohulls) with liferaft for 2018-2019 and including an AIS Transponder and Receiver (see Clause 7).

3.3.3. The Classic St Helier - Paimpol Passage Race: The World Sailing Offshore Special Regulations for Category 3 (Monohulls) with liferaft for 2018-2019.

3.3.4. La Course du Tour de l'Île de Bréhat: The World Sailing Special Regulations for Category 4 (Monohulls) for 2018-2019. However the requirement for engine capacity (Inboard or Outboard) as per Category 3 rules shall apply.

3.4. Except where otherwise stated in the Sailing Instructions, the rules of RRS Part 2 shall not apply between sunset and sunrise and shall be replaced with the corresponding rules of the International Regulations for Preventing Collisions at Sea (IRPCAS)

3.5. Safety and Life-Saving Equipment

3.5.1. Skippers and Crew members’ attention is drawn to RRS 1.2 Life-Saving Equipment: ‘Each competitor is individually responsible for wearing personal buoyancy adequate for the prevailing conditions.’

3.5.2. Specifically A lifejacket and harness shall be worn when on deck:

- Between the hours of sunset and sunrise
- When alone on deck
- When reefed
- When the true wind speed is 25 knots or above

- When the visibility is less than 1 nautical mile
- Attention is also drawn to NOR Clause 4 (Yachts without guardrails)

3.5. Crew Numbers. At no time shall the number of crew exceed the amount of personal safety equipment and liferaft capacity where applicable. Each Skipper is responsible for ensuring that the number of crew carried does not exceed the design capacity of the yacht. Where that capacity is not known then the Skipper is responsible for ensuring that the yacht is capable of safely carrying the number of crew carried with their equipment.

3.6. Sail Material. Competitors must declare the composition of the sails they intend to use at the time of pre-registration.

3.7. Other Governing Rules

- The rules of the “in force” JCH Classic Handicap; full information on this handicap, and how to get a rating (which is free and straightforward) is on the ‘Handicapping’ page of the regatta website.
- Notices to Competitors

3.8. When there is a conflict, succeeding items in the above list shall take precedence.

3.9. Where there is a conflict between English and French versions of The Notice of Race, The Sailing Instructions and Notices to Competitors the English version shall be the definitive version except for La Course du Tour de l’Île de Bréhat where the French version will be definitive.

## 4.

## MODIFICATION TO RULES

4.1. It is acknowledged that many classic yachts, having been built before the introduction of the World Sailing Offshore Special Regulations (WS OSR), have difficulty in complying fully with the structural requirements of these rules. Skippers will be required to state that their yacht complies fully with the applicable WS OSR. If they are unable to make such a declaration they must sign the General Dispensation form on registration stating that the yacht does not comply with the applicable WS OSR and providing a waiver of responsibility to the organisers.

4.2. Owners of yachts which do not fully comply with the structural requirements are required to make their best efforts to comply as fully as possible to the relevant requirements, with particular reference to cockpits (reg : 3.09), companionways and hatches (reg : 3.08), and pulpits stanchions and guardrails (reg : 3.14). Where the Owner is not the Skipper the Owner shall advise the Skipper where they believe the yacht does not comply before registration.

4.3. In the event of a boat without pulpits, stanchions or lifelines wishing to enter the Regatta the Skipper must apply for a Special Dispensation and they must sign a declaration stating that: “All crew will be fully briefed before each race on MOB drill and the importance and correct use of safety harnesses and lifejackets, that they will be required to wear and use them and be clipped on to clipping points or jackstays at all times while on deck when the vessel is underway before, during and after the race and special attention has been given to the correct use and placing of jackstays and static clipping points”.

4.4. Sail Numbers.

4.4.1. Competitors must have either a valid national sail number or recognised class number. (World Sailing and JCH rules). Further they must comply with Rule 77 and Appendix G of the racing rules in respect of displaying these numbers on the mainsail and spinnaker

4.4.2.. Where class insignia and numbers or national numbers cannot, or the owner does not wish them to be for reasons of authentic appearance, be displayed on the sails as per Appendix G the entrant may apply for an exemption provided that the relevant identification laid out in Appendix G is displayed elsewhere on the yacht so as to be visible on both sides of the yacht in characters at least as high as those required on the sails. Such exemptions must be approved before the start of racing. This changes Rule 77.

4.4.3. Appendix G requires the height of letters to be no less than: 300mm for boats less than 8.5 m; 375mm for boats from 8.5 - 11 m; 450mm for boats over 11 metres. Sail numbers on an overlapping genoa greater than 130% are optional

(not a requirement, this changes RRS Appendix G1.3(e)). If a boat is using a spinnaker with a different number, the organisers must be informed of that number before each race.

4.4.4. Boats without a national or class sail number must apply to their national authority for a number. In the case of French yachts a unique number for classic yachts may be obtained from the Yacht Club Classique online at <http://yachtclubclassique.com/wp-content/uploads/2014/02/Num%C3%A9ros-de-voile.pdf>. (For UK yachts application may be made to the RYA).

4.4.5. Sail numbers displayed elsewhere on the yacht must use black numbers on a white background. Failure to display numbers in accordance with Clause 4.4 will result in the boat being declared DNS - 'Did Not Start'. This changes rule A5

## 5. ADVERTISING

The following are permitted:

5.1. Competitors may be required to display advertising banners and flags of the event's sponsors chosen by the organisers in accordance WS Regulation 20.

5.2. One sailmaker's mark per sail and one builder's mark on the hull may be displayed on both sides of the sail or hull and shall fit within a 150mm x 150mm square.

5.3. All such advertising must comply with World Sailing Regulation 20 – Advertising Code, one maker's mark per sail and one builder's mark on the hull may be displayed on both sides of the sail or hull and shall fit within a 150mm x 150mm square advertising must comply with World Sailing Regulation 20 – Advertising Code

## 6. ELIGIBILITY

6.1. The events are open to Classic yachts of the classes defined below:

**Class 1:** Yachts designed before December 31<sup>st</sup> 1968 which are maintained to their original design without any significant changes. (Yachts built in a limited series are eligible, but those built in an industrial scale series are excluded from Class 1, but are eligible in Class 3.)

**Class 2:** Yachts as per Class 1, but which have had significant changes made to their original design and/or materials. Replicas built to an original design created before December 31<sup>st</sup> 1968 are also eligible in Class 2.

Note: In both Classes 1 and 2, changes in the material of spars, hull, ballast and major changes in the sail plan are considered as significant changes.

**Class 3:** Yachts designed between December 31<sup>st</sup>, 1968 and December 31<sup>st</sup>, 1974 built as a one-off or in series production and yachts designed before December 31<sup>st</sup> 1974 built in an industrial series.

Yachts designed after December 31<sup>st</sup> 1974 whose design and build, including hull, spars, rig, sails, etc., are considered equivalent to pre-1969 classic yachts may be eligible in Class 3.

All yachts potentially eligible for class 3 must be of an approved classic design and are subject to acceptance by the regatta organisers. The number of series production yachts first launched after December 31<sup>st</sup> 1974 may be limited by the regatta organisers.

“Grandfather Rule”: As the design date cut-off for Class 3 has been changed from the end of 1976 to 1974 since the 2015 regatta, any yacht designed between these dates that has previously competed in the Classic Channel Regatta prior to 2017 may be accepted by the race committee.

**Class 4:** Any yacht eligible in classes 1-3 with any material other than wood, aluminium or steel for spars (apart from topmasts) will sail in class 4 regardless of year of design. Also 'spirit of tradition'

yachts with classic appearance above the waterline, but modern hull profile below the waterline with fin keel and separate rudder will sail in Class 4, subject to acceptance by the organiser.

Yachts with sails which fall into the JCH Type 3 definition will be put into Class 4.

6.2. Classes may be amalgamated or divided into groups according to the number of yachts entered in each.

6.3. The minimum length on deck acceptable for the Channel Race is 7.5 metres. Notwithstanding this LOD restriction some yachts which have an LOD of less than 7.5 metres but an LWL of greater than 6.5 metres may be eligible subject to the sole approval of the Race Organisers who may take into account such things as sail plan and engine capacity. All yachts regardless of size must comply with 2017-2018 World Sailing offshore special regulations for the category of any race entered regardless of size. The minimum length on deck for the inshore races at Dartmouth and the Round Île de Brehat Race is 5.4 metres.

6.4. The complete eligibility rules are available at the Classic Channel Regatta website ([www.classic-channel-regatta.eu](http://www.classic-channel-regatta.eu))

## 7. AIS

7.1. For the Classic Channel Race Dartmouth - St Helier, an AIS (Automatic Identification System) transponder confirming to WS OSR 3.29.13 is mandatory.

7.2. Competitors shall ensure the Name of the boat, not just the MMSI number is transmitted. A display unit capable of displaying received transmissions shall also be fitted. The Transmitter shall be switched on for the duration of the race and programmed to transmit at least once every 5 minutes.

## 8. AUTHORITY FOR ELIGIBILITY AND HANDICAP

8.1. The Organising Authority shall determine the eligibility of any yacht for the Regatta as a whole or for a particular class. Its decision is final.

8.2. The JCH Classic Handicap committee decision on JCH handicap numbers shall be final.

8.3. The Organising Authority may amend a JCH Handicap if it believes that the JCH Handicap does not fairly enable that yacht to race against others in its group.

## 9. ENTRY

9.1. Eligible yachts may enter by pre-registering on the Classic Channel Regatta website at [www.classic-channel-regatta.eu](http://www.classic-channel-regatta.eu). Entry forms will be emailed to all pre-registered owners and these must be completed and returned, together with the required entry fee, via email or by post to the address below, by the 7th of June. Any entries after that date will be subject to a surcharge fee of 50%

## 10. SCHEDULE OF ENTRY AND RACING

10.1. Schedule (All hours are BST (British Summer Time) unless explicitly noted in FST (UT+2))

### **28th June 2018**

- 1200 to 1900: Registration at RDYC Sailing Office.
- 1900: Briefing for the Dartmouth Classic Weekend at the RDYC.

### **29th June 2019**

- 0800 to 1000: Late Registration at RDYC Sailing Office
- 1200: First Start Dartmouth Classic Weekend Race 1

### **30th June 2019**

- 1000: First Start Dartmouth Classic Weekend Race 3.

### **1st July 2019**

- 0900-0930 Late Registration for the Classic Channel Race Dartmouth - St Helier
- 1000: Classic Channel Race Dartmouth - St Helier Briefing
- 1300 Classic Channel Race Dartmouth - St Helier First Start

### **2nd July 2019**

- 1400-1700 Registration for the Classic St Helier - Paimpol Passage Race (for those joining in St Helier)
- 1700 Briefing Classic St Helier - Paimpol Passage Race (on quay in St Helier)

### **3rd July 2019**

- 0900 First Start Classic St Helier - Paimpol Passage Race

### **4th July 2019**

- 1700 (FST) Briefing La Course du Tour de l'Île de Bréhat (to be followed by a CRAB Association AGM)

### **5th July 2019:**

- 1030 (FST) First Start La Course du Tour de l'Île de Bréhat.

(Sailing Instructions will be issued at Registration and in provisional format prior to that date for those entering before the 15th June 2019)

## 11. FEES

11.1. The Whole Regatta : To be advised by the 2nd April 2019

11.2. Individual Races

- The Dartmouth Classic Weekend : To be advised by the 2nd April 2019
- The Classic Channel Race Dartmouth - St Helier : To be advised by the 2nd April 2019
- The Classic St Helier - Paimpol Passage Race To be advised by the 2nd April 2019
- La Course du Tour de l'Île de Bréhat: To be advised by the 2nd April 2019

11.3. Food at the Social events is normally charged in addition to the race entry fee.

## 12. COURSES

- 12.1. For the Dartmouth Classic Weekend: courses will be set around both fixed and specially laid marks in Start Bay and /or Torbay between Start Point and Babbacombe Bay.
- 12.2. For the Classic Channel Race Dartmouth - St Helier: a course will be set starting off Dartmouth and finishing near St Helier Jersey. A variety of marks may be included to adjust the length of this course.
- 12.3. For the Classic St Helier - Paimpol Passage Race: a course will be set starting off St Helier and finishing near Paimpol. A variety of marks may be included to adjust the length of this course.
- 12.4. For La Course du Tour de l'Île de Bréhat: a course will be set starting off Paimpol and finishing on the south side of Île de Bréhat. A variety of marks may be included to adjust the length of this course.

## 13. SCORING

- 13.1. The JCH handicap system will apply to all races.
- 13.2. Separate scoring will be done for each group except where groups have been amalgamated.
- 13.3. Scoring will be done for each race: The Dartmouth Classic Weekend, The Classic Channel Race Dartmouth - St Helier, the Classic St Helier - Paimpol Passage Race and La Course du Tour de l'Île de Bréhat
- 13.4. An overall scoring system will be put in place for the complete regatta. This may be modified for the purposes of allocating overall prizes.

## 14. RESPONSIBILITY & RISK STATEMENT

1. RRS Rule 4 of the Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."
2. Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:
  - (a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
  - (b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
  - (c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omission;
  - (d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
  - (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
  - (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
  - (g) They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.
  - (h) They are aware that on a boat without guardrails or which does not fully meet the World Sailing relevant safety regulation there is additional risk which should be considered in connection with RRS 4 above.

- (i) The safety of a yacht and her crew is the sole and inescapable responsibility of the Person in Charge who must ensure that the yacht is fully found, thoroughly seaworthy and manned by an experienced crew who have undergone appropriate training and are physically fit to face bad weather. He must be satisfied as to the soundness of hull, spars, rigging, sails and all gear. He must ensure that all safety equipment is properly maintained and stowed and that the crew know where it is kept and how it is to be used. He shall also nominate a person to take over the responsibilities of the Person in Charge in the event of his incapacitation.
- (j) The boat is required to hold adequate insurance and in particular to hold insurance against third party claims for a minimum of £3,000,000 or equivalent.
